NOW, THEREFORE, in consideration of the premises, PEMBROKE LAKES, LTD., a limited partnership, does hereby declare said properties to be subject to the following restrictions, reservations and conditions, and same shall be binding upon said PEMBROKE LAKES, LTD., a limited partnership, and upon each and every person, firm and corporation who or which shall hereafter become the owners of said property, or any portion thereof, their heirs, successors, and assigns, to wit:

1. LAND USE AND BUILDING TYPE: No lot described above shall be used except for single family residential purposes. The same sight line limitations shall apply on any lot within 10 feet from the intersection of street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines. No fence or wall shall be placed or erected in the area lying between the front building line to the front property line on any lot. This shall not be construed, however, to prohibit the planting of shrubs, trees, flowers or other ornamental planting in said area.

6. EASEMENTS: Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow, of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. 7. NUISANCES: No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon, which may be or may become an annoyance or nuisance to the neighborhood.

8. TEMPORARY STRUCTURES: No structure of a temporary character, trailer, camper, mobile home, tent, shack, garage, barn or other building shall be used on any lot at any time as a residence either temporarily or permanently.

14. CLOTHES DRYING: All drying of clothes by line, rack or otherwise shall be prohibited unless concealed from the view of the public.

15. ANTENNAE: No Television or Radio Antennas or Towers of any nature shall be erected on any part of said property or the exterior of any building.

16. WATER SUPPLY: No individual water supply system shall be permitted on any lot for domestic use. This shall not be construed to prohibit the installation of any individual water supply system to be used for a sprinkler system or air-conditioning provided said use shall not be in conflict with municipal laws and ordinances. This provision will not be enforceable unless a utilities system is being operated under service standards and rate structures established by governmental franchise or regulatory bodies.

17. SEWERAGE DISPOSAL: No individual disposal system shall be permitted on any lot. This provision will not be enforceable unless a utilities system is being operated under service standards and rate structures established by governmental franchise or regulatory bodies.

- (a) No boathouse or dock building shall be erected on or adjoining any waterfront lot. No boat landing, dock pier or mooring pile shall be constructed on a lot which abuts or adjoins canals. No ramp for boats or aircraft shall be constructed on any waterfront lot.
- (b) No boat canal or other waterway shall be dug or excavated into any of said waterfront lots.
- (c) No waterfront lot shall be ^{increased} increased in size by filling in the water on which it abuts.
- (d) No motor vessel or motor craft of any kind shall be used on any of the waterways.

(e) With respect to each residence to be constructed on a waterfront lot, there shall be erected, constructed and maintained, a chain link fence not less than four (4') feet in height which will be constructed parallel to and approximately 55 feet inside the front line of the building lot, and which fence will abut each side of the house on such building lot, and extend to the respective side lot lines. It is intended that wherever feasible, such fence will also abut a similar fence erected on each lot adjacent to any building lot fronting on the water. Each fence shall have at least one gate per each building lot on the garage side of the house. The purpose of such fence is to prevent unauthorized persons from gaining access to the water from the street side of each building lot. The fence and gates shall be maintained and kept in good condition by each lot owner. The fences required shall be provided within 30 days after the occupancy thereof.

19. TERM: These covenants and restrictions shall run with the land and shall be binding upon all parties and persons now or hereafter owning any property in the above-described subdivision and or their heirs, successors and assigns, for a period of thirty (30) years from the date of recordation of these covenants, after which time said covenants and restrictions shall be automatically extended for successive periods of ten years unless an instrument amending, modifying or abolishing these covenants and restrictions is signed by a majority of the then owners of the lots in the subdivision and is recorded.

20. ENFORCEMENT: These restrictions may be enforced either by a suit for injunction or restraining order, or by action for damages or both, and the prevailing party in any such action shall be entitled to an award from the Court for attorneys' fees. (The undersigned owner shall never in any way be deemed liable or responsible to anyone whomsoever for any violation or alleged violation of the within restrictions.)

21. SEVERABILITY: Invalidation of any one of these covenants by judgments or court order shall in no wise affect any of the other provisions, which shall remain in full force and effect.

22. MODIFICATION: The undersigned owner reserves the right to alter, amend, repeal or modify these restrictions, or any of them, at any time, in its sole discretion, by an instrument to such effect recorded among the Public Records of Broward County, Florida.
